At the written request of any Owner the Association shall enforce such

indemnity by collecting from the Owner of the Unit on which the labor was performed or materials furnished the amount necessary to discharge any such lien, including all costs incidental thereto, including attorney's fees. If not promptly paid, the Association may collect the same in the manner provided herein for collection of assessments.

Section 2.9 Utilities. Section 4.1 Creation of Lien and Personal Obligation for Assessments. The Declarant, for each Unit owned within the Planned Community, hereby covenants, and each Owner of any Unit by acceptance of a deed therefore, whether or not it is stated in the deed, is deemed to covenant and agree to pay on a monthly basis without deduction or offset to the Association:

- (a) Annual assessments for Common Expenses, which shall include an adequate reserve fund for the periodic maintenance, repair and replacement of the Common Elements and those Limited Common Elements that the Association is obligated to maintain, and
- (b) Special capital assessments for capital improvements, such assessments to be established and collected as hereinafter provided.
- (c) Special unit assessments to be established and collected as hereinafter provided.

The full annual and special assessments, together with interest, costs and reasonable attorney's fees, where applicable, shall be a charge on the Unit and shall be a continuing lien upon the Unit against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney fees shall also be the personal obligation of the person who was the Owner of such Unit at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to an Owner's successor(s) in title unless expressly assumed by them, except as expressly provided herein.

Section 4.2 Purpose of Assessments. The assessments-levied by the Association shall be used exclusively to promote the recreation, health, safety, welfare and common good of all the residents in the entire Planned Community and for the improvement and maintenance of the Common Elements.

Section 4.3 Assessment. All owners, covenant and agree, and shall be personally obligated, to pay to the Association:

- (a) Monthly Common Expense assessment, imposed by the Association to meet the Common Expense and reserve requirements of the Association.
- (b) Special assessments, pursuant to [Section 4.5](#) of this Declaration.
- (c) Individual purpose assessments, pursuant to [Section 4.6](#) of this Declaration; and
- (d) Other charges, costs, interest, fees and assessments, including without limitation default assessment, as provided in this Declaration.
- (e) All owners of each Unit shall be jointly and severally liable to the Association for the payment of all assessments, charges, costs, interest and fees attributable to their Unit. The payment of any and all assessments is an independent covenant, with all assessments payable in full, when due, without notice (except as otherwise expressly provided in this Declaration) or demand and without setoff or deduction. The personal obligation for delinquent assessment shall pass to an owner's successor in title in interest. No Owner may waive or otherwise escape personal liability for the payment of the assessments, charges and fees provided for herein by nonuse of the Common Elements or the facilities contained therein or by abandonment or leasing of his Unit. In addition to the foregoing assessments, charges and fees each owner shall have the obligation to pay real property ad valorem taxes and special assessments imposed by Colorado governmental subdivisions against his unit, as well as charges for separately metered utilities servicing his Unit. The charges for any utilities which are not separately metered to an individual Unit by the applicable utility company may be collected by the Association as part of Common Expense assessment; however, the charges for such utilities shall be allocated among the Units based on actual usage if such is measured.

Section 4.4 Special Capital Assessments. In addition to the monthly assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements including fixtures and personal property related thereto, provided that any such assessment shall have the vote or written assent of fifty-one percent (51%) of each class of members; provided, however, following the expiration of Declarant's Control Period, any such assessment shall have the vote or written assent of:

- (a) Fifty-one percent (51%) of the total voting power of the Association, or
- (b) Fifty-one percent (51%) of the total voting power of the Members including Declarant.

Section 4.5 Special Unit Assessment. In addition to the monthly Common Expense assessments, authorized above, the Board of Directors of the Association may at any time or

from time to time, determine, levy and assess a special assessment for the purpose of defraying in whole or in part, payments for any operating deficit loss or unbudgeted expense and/or unbudgeted costs, fees and expenses of any management, administration, or maintenance of the Common Elements including, without limitation, any fixtures and personal property related thereto. The Association may also levy a special assessment, including fines, against any Member and Member's Unit to reimburse the Association for costs incurred in bringing a Member and his Unit into compliance with the provisions of the Declaration, the Articles, the By-Laws, and/or the Association Rules and Regulations. Said special assessment may be levied upon the vote of the Board after notice to the Owner and an opportunity to be heard by the Board.

The Peaks at Green Mountain Homeowners Association, II, may from time to time be assessed by the Board of Directors of the Peaks at Green Mountain Homeowners Association I, for their proportionate share of the cost of maintaining the pool as well as any fixtures and personal property related thereto, the mailbox kiosk as well as any fixtures and personal property related thereto, parking areas and other common elements, located at the Peaks at Green Mountain I and used by the Unit Owners of the Peaks at Green Mountain Homeowners Association, II . In no event shall such assessment be more than fifty per cent (50%) of the cost to maintain the pool and mailbox kiosk, as well as fixtures and personal property related thereto, parking areas and other common elements used by the Unit Owners of The Peaks at Green Mountain Homeowners Association II. The Association may also levy a special assessment, including fines, against the Peaks at Green Mountain Homeowners Association II to reimburse the Peaks at Green Mountain Homeowners Association I for costs incurred in attempting to collect such assessments. Said special assessments may be levied upon a vote of the Board of the Peaks at Green Mountain Homeowners Association I, after notice to the Peaks at Green Mountain Homeowners Association, II and an opportunity to be heard by said Board.

The Unit Owners of the Peaks at Green Mountain Homeowners Association I, shall be subject to special assessments by the Board of Directors of the Peaks at Green Mountain Homeowners Association II, for their use of the parking areas and `common areas of the Peaks at Green Mountain Homeowners Association II, as more fully set forth in the Declaration for the Peaks at Green Mountain II. In no event shall such assessment be more than fifty per cent (50%) of the cost to maintain such common areas.

Section 4.6 Membership Approval. Any membership action authorized under [Section 4.3](#) or [4.4](#) shall be taken at a meeting called for that purpose, written notice of which shall be given to all Members not less than ten (10) nor more than fifty (50) days before the meeting. Notice may be given by hand delivery or sent prepaid by first-class mail United States mail to the mailing address of each Unit or to any other mailing address designated in writing by the Unit Owner. A quorum for such meeting shall be a majority of the voting power of the membership of the Association. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five percent (25%) of the voting power of the membership of the Association; provided, however, if

- (a) The meeting so adjourned is an annual meeting, and

(b) The adjourned annual meeting is actually attended, in person or by proxy, by less than thirty-three and one-third percent (33-1/3%) of the voting power of the membership of the Association,

Then the only matters which may be voted upon thereat are matters of the general nature, notice of which was duly given. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite fifty-one percent (51%), Members who were not present in person or by proxy may give their assent in writing provided the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 4.7 Individual Purpose Assessments.

(a) In addition to the Common Expense and Special Assessments as hereinabove provided, the Board of the Directors of the Association may at any time, or from time to time, levy and collect assessments against any one or more, but fewer than all of the Units, for any matters applicable only to such Units. Such individual purpose assessments may be levied against loft Units to pay or reimburse the Association for any costs, expenses, fees, reserves and other charges, incurred or reasonably anticipated to be incurred by the Association, for management, control, administration and maintenance or any other purpose of or with respect to any matter pertaining to the Unit(s) against which such individual purpose assessment is levied.

(b) The amounts determined, levied and assessed pursuant to this Section 4.7 shall be due and payable as determined by the Board of Directors of the Association, provided that written notice setting forth the amount of individual purpose assessment for each Unit and the due date(s) for payment thereof shall be given to the Owners of the affected Unit not less than thirty (30) days prior to the due date.

Section 4.8 Uniform Rate of Assessment.

(a) Except as otherwise provided herein, for purposes of annual and special assessments, each Unit shall constitute one (1) assessment unit, regardless of the size, value, location or use of such Unit. The amount of the assessment payable by the Owner of each Unit shall be computed by multiplying the total amount to be raised by the assessment (as shown in the Association budget for that year for annual assessments, or as determined by the Board of Directors for special assessments) by a percentage (rounded to the nearest one-tenth of one percent (0.1%)), derived from a fraction, the numerator of which is one (1) and the denominator of which is the total number of Units in the Planned Community as of the day the assessment is effective (the "Effective Date") For purposes of this paragraph, the Effective Date, annual assessments shall be the first day of the calendar year for which the annual assessment applies; and the Effective date for special assessments shall be the date such special assessment is approved by the Board of Directors (or such later date as such special assessment is approved by a vote of the Association if such approval is required by this Declaration). The assessments shall be paid monthly by the Unit Owners.

(b) Surplus funds remaining after payment of or provisions for common expenses shall be retained by the Association as a capital and replacement reserve.

(c) A special assessment against members to raise funds for the rebuilding or major repair of any portion of Common Elements shall be levied upon the basis of the ratio of the square footage of the floor area of the Unit to be assessed to the total square footage of the aggregate floor area of the Units in all affected Units.

(d) A special assessment against a Member to reimburse the Association for costs and fines incurred in bringing Member and/or his Unit into compliance with the provisions of the Documents shall be assessed only against that Member and his Unit.

(e) Any assessment not paid within fifteen (15) days after the due date shall be delinquent and shall bear interest at the rate of twenty-one percent (21%) per annum from the due date until paid in full. Any balance outstanding shall bear interest as noted.

(f) If an Owner shall be in default in the payment of an installment of an assessment, the Board may accelerate the remaining installments of the assessment upon notice thereof to the Owner, and thereupon the unpaid balance of the assessment shall come due on the date stated in the notice.

(g) In addition to the interest noted at Section 4.8(e), a late charge of five percent (5%) of any installment shall be charged for any installment not paid within fifteen (15) days after its due date.

Section 4.9 Date of Payment of Monthly Common Expense Assessment. The monthly common expense assessments shall be due and payable on the first day of each month, in advance, or on such other dates, and such frequency (but no less frequently than annually), as may be set by the Board of Directors of the Association from time to time. Any person purchasing a Unit between monthly assessment due dates shall pay a prorated share of the last assessment due.

Section 4.10 Effect on Non-Payment of Assessments: Remedies of the Association. Any assessment made in accordance with this Declaration shall be a separate, distinct and personal debt and obligation of the Owner(s) against whom the same is assessed from the time the assessment is due. At any time after any assessment levied by the Association against a Unit has become delinquent, the Board may, in addition to any other remedies provided under this Declaration or by law, enforce such obligation on behalf of the Association by suit and/or by recording in the Office of the Clerk and Recorder for Jefferson County, Colorado, a "Notice of Delinquent Assessment and Claim of Lien" as to such Unit, in the form substantially as follows:

Such notice shall be signed by an officer or director of the Association, its manager or attorney. A copy of said notice shall be served personally upon the Owner, or be sent by first class mail, postage prepaid, to the then current address of the Owner in the Association's files.

Immediately upon recording of any notice of delinquency pursuant to this section, the amounts delinquent and subsequent installments, whether delinquent or not, together with costs (including, attorney's fees) fines, if any, and interest accruing thereon, shall be and become immediately due. The notice shall also secure all other payments and/or assessments, together with interest, costs, and attorneys' fees with respect to said Unit following such recording.

In the event the delinquent assessments and all other assessments which have become due and payable with respect to the same Unit together with all costs (including attorney's fees) and interest which have accrued on such amounts are fully paid or otherwise satisfied prior to the completion of any sale held to foreclose the lien as provided for in this Article, the Board shall record a satisfaction and release of said lien similarly signed.

Each assessment lien may be foreclosed as and in the same manner as the foreclosure of a mortgage or deed of trust upon recording of a notice of deficiency. The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at a foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Suits to recover a money judgment for unpaid assessments, costs, fines, and attorney fees are permitted without foreclosure or waiver of the lien on the Unit.

Section 4.11 Notice to Lien Holders. A copy of the notice of delinquency shall be mailed certified mail or registered mail, return receipt requested, to holders of recorded liens, and to persons who have recorded requests for notice with the Association. Notice shall be mailed to the name and address as appears on the request for notice and on the recorded liens.

Section 4.12 Lien/Security interest. A lien under this section is prior to all other liens and encumbrances on the Unit except:

- (a) Liens and encumbrances recorded before the recordation of the Declaration;
- (b) Liens for real estate taxes and other governmental assessments or charges against the Unit;
- (c) Other than as provided in Section 4.12(c)(i) below, a First Security Interest on the Unit recorded before the date on which the assessment sought to be enforced became delinquent.
 - (i) Notwithstanding the provisions of Section 4.11(c) above, the lien of the Association shall be prior to all First Security Interest liens or other first mortgage liens to the extent of six (6) months of regular common expense assessments.

This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the Association.

Recording of the Declaration, constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this Section 4.12 is required, except a notice of delinquent assessment must be recorded before commencement of foreclosure.

Section 4.13 Subordination of the Lien to First Security Interest. Except as provided in [Section 4.12\(c\)\(i\)](#), the lien of the assessments provided for herein shall be subordinate to the lien upon any Unit of a First Security Interest recorded prior to the date the assessment sought to be enforced becomes delinquent. Sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to judicial or nonjudicial foreclosure of a First Security Interest or any conveyance in lieu thereof shall, except pursuant to [Section 4.12\(c\)\(i\)](#), extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from lien rights for any assessments thereafter becoming due.

Where the holder of a recorded First Security Interest or other purchaser of a Unit obtains title to the same as a result of foreclosure or conveyance in lieu, such acquirer of title, his successors and assigns, shall not, except pursuant to [Section 4.12\(c\)\(i\)](#), be liable for the share of the common expenses or assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the Units including such acquirer, his successors and assigns.

Section 4.14 Estoppel Certificate. The Association shall, within ten (10) days upon written request by a Unit Owner or holder of a Security Interest on a Unit, provide a certificate in recordable form signed by an officer or designated representative of the Association setting forth the amount of the unpaid assessment on the Unit and whether or not it is delinquent. A properly executed certificate of the Association as to the status of assessment on a Unit is binding upon the Association, the Board and every Unit Owner as of the date of its issuance. The Association shall charge a fee in an amount established by the Board of Directors for providing said certificate.

Section 4.15 Personal Liability of Owner. No Owner may exempt himself from personal liability for assessments levied by the Association, nor release the Unit owned by him from the liens and charges hereof by waiver of the use or enjoyment of any of the Common Elements or by abandonment of his Unit.

Section 4.16 Taxation of Association. If any taxes are assessed against the Common Elements or the personal property of the Association, rather than against the individual Units, said taxes shall be added to the annual assessments and, if necessary, a special assessment may be levied against the Unit in an amount equal to said taxes, to be paid in equal installments, the number of installments and date for payment based upon the number of installments permitted by the County Treasurer, payable thirty (30) days prior to the due date of each tax installment.

Section 4.17 Working Capital Fund. Upon acquisition of record title to a Unit from Declarant, Owners, shall contribute to the working capital fund of the Association an amount equal to one-fourth (1/4) the amount of the then annual assessment for that Unit as determined by the Board plus a non-refundable transfer fee of \$200.00. The working capital shall not be considered prepayment of the annual assessment. This amount shall be deposited by the buyer into the purchase and sale escrow and disbursed therefrom to the Association. Upon the sale of any Unit by an Owner other than Declarant, the selling Owner shall be reimbursed at closing for this working capital contribution or the transfer fee, by the purchaser of said Unit. Each purchaser of a Unit shall pay the applicable transfer fee.

Section 4.18 Reserve Fund. In addition to the Working Capital Fund, the Association shall establish and maintain a reserve fund for the replacement of improvements to the Common Elements and those Limited Common Elements that the Association is obligated to maintain. This fund shall be funded and maintained out of regular assessments for common expenses. Any payments made to such reserve fund shall not be considered an advance payment of regular assessments.

ARTICLE V

RESPONSIBILITIES OF MAINTENANCE

Section 5.1 Owner Maintenance of Unit. Each Owner of a Unit shall be responsible for cleaning, sweeping, and keeping clear the Limited Common Elements (including the Exclusive Use Areas) appurtenant to the Unit such, the Patio and/or Balcony of his Unit. Each Owner of a Unit shall be responsible for the maintenance and repair of doors and windows enclosing his Unit, the interior of his Unit, including walls, floors, plumbing (within the Unit Boundaries), and ceilings, and also all appliances whether "built-in" or freestanding within a Unit. The Owner shall also be responsible for the maintenance and repair (and damage as a result of any repair) of the plumbing, gas, electrical, T.V. cable systems, and air conditioning, heating units and ducts servicing the Unit, including computer and television cable equipment and connections.

Section 5.2 Owner's Grant of Easements. Each Owner hereby grants easements to other Owners and to the Association to enter into each Unit and to have utility repairmen and companies enter into Units to repair the plumbing, heating, and electrical systems located thereon, subject to the following limitations. Entry into a Unit for emergency purposes may be immediate and without prior notice; provided, however, such entry shall be made with as little inconvenience as possible to the Owner. Any damage caused thereby shall be repaired by the entering party at such party's expense. Entry into a Unit for other than emergency repairs shall be made only after one (1) day notice to the Owner and shall be made with as little inconvenience as possible to the Owner. Any damage caused thereby shall be repaired by the entering party at such party's expense.

Section 5.3 Association Maintenance of Common Elements. Except as otherwise provided herein, the Association acting through the Board and its officers shall have the sole and exclusive right and duty to manage, maintain, operate, control, repair, replace or restore all of the Common Elements (including Limited Common Elements), and any portion thereof, together with the improvements, trees, shrubbery, plants and grass thereon, all as more fully set forth in this Declaration, the Articles and the By-Laws, including, but not limited to, fenced areas of the Limited Common Elements. The Association shall be responsible for snow removal in driveways, walkways and stairways in both the Common Elements and the Limited Common Elements. Should said maintenance or repair result from the negligence of an Owner, his guests or licensees, the Owner shall reimburse the Association for the costs of such maintenance or repair immediately upon receipt of an invoice for said costs.

Section 5.4 Association Right of Entry. For the purpose of performing the maintenance of the Common Elements or for any other purpose reasonably related to the performance by the Board of its responsibilities under this Declaration, the Association agents or employees shall have the right to enter any Unit or upon any portion of the Common Elements to

effect emergency repairs. For other than emergency repairs, the Association's agents or employees shall have the right to enter any Unit or any portion of the Common Elements to effect repairs, improvements, replacements or maintenance which the Association deems necessary, after approval by two-thirds (2/3) vote of the Board. Such entry shall be made with as little inconvenience to the Owner as possible. Any damage caused thereby shall be repaired by the Association. Such entry for other than emergency repairs shall be made only upon one (1) day notice to the Owner.

Section 5.5 Association Right to Adopt Rules and Regulations. The Board shall have the right to adopt reasonable Rules and Regulations not inconsistent with the provisions contained in this Declaration, and to amend the same from time to time relating to the use of the Common Elements (including Limited Common Elements) and facilities situated thereon by Owners, their tenants or guest, and the conduct of such persons with respect to the Common Elements, including but not limited to vehicle parking, outside storage of boats, motor homes, campers, trailers, bicycles and other objects, disposal of waste materials, drying of laundry, control of pets, storage of items on Patios and decks, and other activities which, if not so regulated, might detract from the appearance of the Planned Community or offend or cause inconvenience or danger to persons residing or visiting therein.

Such Rules and Regulations may provide that the Owner of a Unit whose occupant leaves property or the Common Elements in violation of the Rules and Regulations may be fined and assessed for expenses incurred by the Association in removing, storing or disposing of such property after appropriate notice and an opportunity for a hearing before the Board. A two-thirds (2/3) vote of the Board is required for said assessment.

The Board may suspend the voting rights and/or right to use the recreational facilities (or other Common Elements) of a Member who is in default in the payment of any assessment for any period during which such assessment remains unpaid and for a period not to exceed thirty (30) days after reasonable written notice and an opportunity for a hearing before the Board for any infraction of its published Rules and Regulations.

ARTICLE VI

ARCHITECTURAL CONTROL

Section 6.1 Approval Required. No building, fence, wall, structure, improvement or alteration, including removal of partitions between Units, shall be commenced, placed, erected, or altered upon the Common Elements, including the Limited Common Elements, until the location and complete plans and specifications showing the nature, kind, shape, height and materials, including the color scheme, have been submitted to and approved in writing as to harmony of external design and location of surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee appointed by the Board of Directors and composed of not less than three (3) members.

Section 6.2 Failure to Act. If the Board or the Architectural Committee fails to approve or disapprove such location, plans and specifications or other requests within thirty (30) days after the receipt thereof, so long as such location, plans and specifications or other requests are completed on a form approved by the Board and submitted by certified U.S. Mail return receipt requested to the address of record of the Association, then such approval will not be

required, provided that any structure or improvement so erected or altered, conforms to all of the conditions and restrictions herein contained, and is in harmony with similar structures erected within the Planned Community. Should said application not be completed on the form approved by the Board, then said thirty (30) day period shall not be deemed to have commenced. Said failure to approve or to disapprove a submission shall not constitute a waiver of subsequent compliance with this Article by an Owner.

The grade, level, or drainage characteristics of the Planned Community or any portion thereof, shall not be altered without the prior written consent of the Board or the Architectural Committee.

Section 6.3 Handicapped. Notwithstanding any other rule, regulation, or restrictions, the Board of Directors shall make reasonable accommodations in the Rules and Regulations, regulations, or restrictions if those accommodations may be necessary or be required by law to afford a handicapped person equal opportunity to use and enjoy the Planned Community.

Section 6.4 Declarant Exception. At no time, shall the provisions of this Article apply to the construction, reconstruction or remodeling by Declarant of Units or other improvements to the Planned Community, and neither the Board nor any committee appointed by the Board shall have any authority or right to approve or disapprove any construction, reconstruction or remodeling by the Declarant of Units or other improvements to the Planned Community, while the Declarant is still operating a sales office on the property described in Exhibit A, or during the Declarant Control Period, whichever is later.

ARTICLE VII

PROHIBITION OF PARTITION OR SEPARATION OF INTEREST

Section 7.1 Separation of Interest. No Owner shall sell, assign, lease or convey:

- (a) His or her interest in the Allocated Interest separate and apart from his Unit, nor
- (b) His or her Unit separate and apart from the Limited Common Elements reserved or assigned to his or her Unit, nor
- (c) His or her interest in any Limited Common Elements, separate and apart from his or her interest in the Common Elements and his or her Unit, nor
- (d) Any rights to the use of the Common Elements, other than as permitted by this Declaration, the By-Laws or the Rules and Regulations as established from time to time by the Association.

Any attempt to make a prohibited sale, assignment, lease, conveyance or other transfer is void.

Section 7.2 Prohibition of Partition. Each of the Owners of a Unit, whether such ownership is in fee simple or as a tenant-in-common, is hereby prohibited from partitioning or in any other way severing or separating such ownership from any of the other ownerships in the Planned Community, except upon the showing that:

(a) More than three (3) years before the filing of the action, the Planned Community was damaged destroyed so that a material part thereof was unfit for its use and the Planned Community has not been rebuilt and/or repaired substantially to its state prior to its damage or destruction, or

(b) That three-fourths (3/4) or more of the Planned Community has been destroyed or substantially damaged and that Owners holding in aggregate more than a fifty percent (50%) interest in the Common Elements are opposed to repair or restoration of the Planned Community, or

(c) That the Planned Community has been in existence in excess of fifty (50) years, that it is obsolete and uneconomic, and that Owners holding in aggregate more than a fifty percent (50%) interest in the Common Elements are opposed to retention of the Planned Community;

provided, however, that if any Unit shall be owned by two (2) or more co-tenants as tenants-in-common or as joint tenants. nothing herein shall be deemed to prevent a judicial partition as between such co-tenants, so long as there is not a physical division of the unit. No Unit may be partitioned or subdivided without the prior written approval of the Board of Directors and the Mortgagee holding the first security interest on that Unit.

Section 7.3 Power of Attorney. The Association is hereby granted an irrevocable power of attorney to sell the Planned Community for the benefit of all the Owners thereof when the partition of the Owners' interests in said Planned Community may be had pursuant to Section 7.2 above. This is a power coupled with an interest in the property comprising the Unit, Common Elements, Limited Common Elements, and appurtenants and is irrevocable. The power of attorney herein granted may be exercised after the vote or written consent (i) of Owners holding in the aggregate at least two-thirds (2/3) of the interest in the Common Elements; and (ii) by any two (2) Members of the Board. The Board shall record a copy of the resolution implementing the power of attorney in the office of the County Clerk and Recorder, Jefferson County, Colorado. Said resolution shall be conclusive evidence thereof in favor of any person relying thereon in good faith; provided, however, that said power of attorney shall not apply to the Secretary of Housing and Urban Development or the Department of Veterans Affairs.

ARTICLE VIII

RIGHT OF SECURITY INTEREST

Section 8.1 Security Interest's Consent. Provided that the holder of the First Security Interest informs the Association in writing of its appropriate address and requests in writing to be notified, neither the Association nor any Owner shall do any of the following, unless at least sixty-seven (67%) percent of the Eligible Security Interests which encumbers Units (based upon one (1) vote for each Security Interest) have given their prior written approval:

- (d) Partition or subdivide any Unit* (*applies only to affected Security Interest.)
- (e) Seek, by act or omission, to abandon, partition, subdivide, encumber, sell or transfer the Common Elements; however, the granting of easements for public utility or other public purposes which is consistent with the normal or traditional uses in the geographical area in which the Planned Community is located shall not be deemed a transfer within the meaning of this provision;
- (f) Apply hazard insurance proceeds for losses to any portion of the Planned Community for other than a repair, replacement or reconstruction of the Planned Community, except as may be provided by statute upon substantial loss to the Units or Common Elements;
- (g) Fail to maintain fire and extended coverage insurance on the Planned Community and all Common Elements and the improvements thereto on a current replacement cost basis in an amount less than one hundred percent (100%) of the insurable value, based on current replacement cost.

Section 9.1 Casualty Destruction of Common Elements. If any portion of the Common Elements is damaged or destroyed by fire or other casualty, then:
